THE STOETT DIFFERENCE

Customization

Each Stoett retractable screen is custom-made to the customer's exact specifications. We do not have a warehouse full of pre-built screens, which means a perfect fit and design tailored specifically to you.

Limited Lifetime Warranty

Stoett proudly stands behind our products. Each of our retractable screens come with a limited lifetime warranty.

Made in the U.S.A.

Stoett believes it is very important to create and maintain American jobs. We proudly manufacture all of our retractable screens here in the U.S.A.

ORDERING

Our Retractable Screen Doors Are Custom Made and Installed for You.

1. A certified dealer will measure the exact dimensions of your opening.
2. Your retractable screen is produced at our state-of-the-art production facility here in the U.S.
3. A certified installer installs your retractable screen and makes any adjustments for smooth operation.

You will instantly see the benefits and feel the difference of a solid, quiet, and smooth operation.

RETRACTABLE SCREENS

*Say Goodbye to Outdated
Screen Doors and Hello
to a Fresher View
with a StowAway™
Retractable Screen.*

REASONS HOMEOWNERS SELECT STOWAWAY™ SCREENS

- Ventilation for beautiful doors
- No storm or swinging screen doors
- Perfect solution for double opening french doors
- Maintains aesthetics and curb appeal value
- Only solution for outswing doors
- Great application for tight doorways where there is not enough room for a swinging screen door
- Energy-savings and cost-free ventilation (Opening the front door and back patio door often creates the largest volume of cross ventilation in a home.)
- Regular screens can dim up to 50% of the view due to the collection of dirt, snow, etc. and they can sometimes stick and come off of their tracks. StowAway™, however, gives a “crystal clear view”. They can also be cleaned and protected without having to remove them.
- Allows for wreaths and large decorative door handles

StowAway

RETRACTABLE SCREENS

StowAway™ retractable screens retract horizontally to provide protection and ventilation. Retractable screens eliminate the need for storm doors and enhance the style of any door or window. StowAway™ is perfect for:

- Front entry doors
- French doors
- Patio doors
- Decks
- Sun porches
- Sliding patio doors
- Windows

We love our StowAway™ retractable screen because it allows us to bring the outdoors in, without detracting from the look of our new front entry door.

—Margie
